**December 28, 2022 ([A rough day](#))**

Hey, just wanted to send this message to express what I feel💜

I’m sorry that you had to go through a rough day today. It’s a tough time, and I completely understand that. I want to be there for you even more💜💜💜

I know it’s tough being away... every day I miss you even more💜💜😌 but hey, the way that I cope with is that I look at the positive, and how it’s been going. Look at how far we’ve come💜💜

We were nervous about leaving even, and now we’re 2 weeks in already, and I can say with certainty that my love for you has not diminished one bit. I’m fact, it grows exponentially each day💜 (I’m gonna run a time series regression to measure this  $\neg\_(\text{’})\_/\_$ )

It’s so incredible to me that we have truly come so far, and it makes me so freakin happy that you’re also doing so well with it💜💜. Before we left, you told me you were very nervous about long distance because of past experience. So I’m so so honored and touched that you’ve still managed to stay so strong💜💜 it’s truly one of my absolute favorite qualities of yours💜💜

I’d just like to end by saying that yes, it’s not been easy, but I never ever lose hope that we can make this work💜💜💜

My love for you spans any distance, and runs across all time, and that’s a Physics constant, meaning it is built into the universe and will never ever change💜💜💜

Take care of yourself and kick your ex in the NUTS😎😎😎

And always remember. No matter what difficulty, of whatever kind, I will always always be there for you to support you in any way💜💜 never ever is that gonna change😌💜💜

Take goood care of yourself and have a Pizza night🍕🍕🍕

Yours forever,

Aalyan Arif Mahmood
